

UoEm ENVIRONMENTAL CLUB

Background history

The club started back in 2015 January with only 20 members chaired by Medrey Morris Mutua, Yvonne Mukami as the secretary and Khalfa Mohammed as the treasurer.

Vision

To provide and promote environmental friendly programs, and provide a forum for students to raise their concerns and possible solutions to environmental matters.

Mission

To contribute to public understanding and appreciation of the importance to preserve our natural resources and wildlife and the problems facing their conservation.

Objectives

1. To raise awareness among students so that they understand environmental issues.
2. To instill a sense of responsibility for the environment and a personal commitment to protect and preserve the environment.
3. To educate and cultivate an appreciation and interest in the environment.

Membership

Any interested student from UoEm can be a member of this club through registration of Ksh.100, which also caters for a membership card for identification as a member. There is a certificate of membership upon attending 75% of the club's meeting, registration and actively participating in club's activities.
